

KLYPTOX YOUTUBE AGENCY SERVICES AGREEMENT

This Agreement is made on [Date] between **KLYPTOX**, hereinafter referred to as the "Agency," and [Client Name], hereinafter referred to as the "Client."

The Client agrees to engage the Agency for YouTube management, promotion, optimization, and other agreed YouTube-related services.

The Agency shall be compensated at a rate of "_____ per 1,000 verified views". Verified views shall be based primarily on the view count shown in YouTube Analytics. Fake, automated, fraudulent, or otherwise invalid views shall not be counted.

The Client agrees to provide the Agency with the necessary information, materials, and access required to perform the services. The Client remains responsible for the ownership and security of their YouTube account.

If the Client fails to make payment within the agreed payment period, the Client shall be required to pay a late fee equivalent to ten percent (10%) of the total outstanding amount due. The late payment fee shall be added to the Client's unpaid balance and shall become immediately payable upon notice of the overdue payment. **Example:** If the Client owes \$100 the Client will be required to pay an additional \$10 late fee, for a total of \$110.

The Agency will perform the services professionally but does not guarantee a specific number of views, subscribers, watch hours, revenue, or monetization, as YouTube performance depends on factors outside the Agency's control.

Both Parties agree to keep confidential any private business information, account information, strategies, analytics, and other confidential information obtained during the engagement.

Either Party may terminate this Agreement by providing [15] days' written notice. Any unpaid fees earned before termination shall remain payable by the Client.

By signing below, both Parties confirm that they have read, understood, and agreed to the terms of this Agreement.
